

Necessary settings:

The following folders and files must be excluded from scanning and cleaning:

Replace "XX" with your Heredis version number

- Documents\Bsd Concept
- C:\program files (x86)\Bsd Concept\Heredis 20XX World
- C:\program files\Bonjour\
- C:\program files (x86)\Bsd Concept\Heredis 20XX World\HeredisXX.exe
- C:\program files\Bonjour\mDNSResponder.exe

If you have stored your genealogy file somewhere other than the default folder :

C:\Users\your_username\Documents\BSD Concept\Heredis\Heredis Files

Then you should also exclude the scan from its location.
